# MAGICAL ... STORIES

*Always believe in  
yourself!!*

Today I want to tell you about a young man from another era. One of those I call **ANCIENT SOULS**. Lorenzo, besides being truly handsome, is kind, cheerful, radiant, intelligent, curious... and he listens like very few adults can.

In his eyes there is a flame, but not the kind that burns violently and is suddenly extinguished. No. His is the *authentic flame*: constant, serene, the kind that warms you from within and promises to accompany you for a long time. A light that doesn't dazzle, but embraces. A correspondent for *Televisión Canaria* and a presenter at fashion events, he combines that elegant presence with a true passion for acting and a possible future in the entertainment world.

Lorenzo is a "rare gem" in a world that moves too fast, someone who reminds you that essence and authenticity still exist; it's just that sometimes you have to know where to look to find them.

# Santa Cruz

Santa Cruz de Tenerife is one of those cities that surprises you the moment you arrive. Bright, open, and framed by the Atlantic, it blends island calm with a lively cultural rhythm. Its streets mix modern architecture with historical corners, leading you toward plazas filled with local life and the scent of fresh coffee. The famous César Manrique Maritime Park, the elegant Auditorio, and the bustling Mercado de Nuestra Señora de África show the city's diverse character. Whether you're here for beaches, art, food, or festivals, Santa Cruz feels warm, inviting, and effortlessly authentic. A place that stays with you.

# Carnival

The 2026 Carnival of Santa Cruz de Tenerife promises to be one of the island's most vibrant celebrations, bringing together music, color, and an unstoppable wave of creativity. Known as one of the world's greatest carnivals, it transforms the city into a massive stage where imagination takes over. Streets fill with dazzling costumes, live bands, and dancers who move to the rhythm of Latin, Caribbean, and Canary Island beats. The election of the Carnival Queen, the spectacular opening parade, and the lively street parties are expected to draw thousands of locals and visitors. As always, Santa Cruz blends tradition with innovation, offering a celebration that feels both familiar and completely new. In 2026, the city is set to shine brighter than ever, inviting everyone to join the magic.

# Celia Cruz

## BEE(S) . . . POWERFUL

The poster for the 2026 Santa Cruz de Tenerife Carnival pays tribute to Celia Cruz, the "Queen of Salsa," an immortal figure whose voice, charisma, and style still resonate in Latin music.

Famous for her wigs, she crafted a truly iconic look.

Born on October 21, 1925, in Havana, Celia conquered stages with her unmistakable "¡Azúcar!" and stood out with her multicolored wigs, sequined dresses, and towering heels.

With more than 100 wigs carried in special suitcases during her tours, this accessory became her practical secret to shining instantly. What began as necessity soon became a bold fashion statement, perfectly in tune with the vibrant 1970s salsa and disco era.
